The Case of the Digital Deception

Reviews

This is the finest book I have got through right up until now. I have got read and I also am confident that I am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that’s what catalogs are for about if you check with me).
(Taylor Medhurst)
THE CASE OF THE DIGITAL DECEPTION

SIMON SCHUSTER, United States, 2013. Paperback. Book Condition: New. 192 x 130 mm. Language: English. Brand New Book. When there's a mystery surrounding a popular online game, the Club CSI: kids use digital forensics to solve a case of foul play. Ben, Corey, and Hannah have their work cut out for them when Whitney, the most popular girl in school, comes to Club CSI: for help. At first her case seems easy to crack—someone has been tampering with Whitney's locker, and since her best friend Alyssa has the combination, she is a likely suspect. But nothing is as simple as it seems, especially once the team learns that other strange things are happening around Whitney. Mysterious charges from a popular internet drawing game have shown up on Whitney's parents credit card. Whitney swears she didn't authorize the charges, so who did? The digital drama increases when Club CSI: launches an online investigation—and to uncover the culprit, they'll have to go undercover as players of the game! (c) 2013 CBS Ent. AB Funding LLC. All Rights Reserved. CSI: CRIME SCENE INVESTIGATION in USA is a TM of CBS and outside USA TM of Ent. AB Funding LLC.
