Parapsychology: A Beginner's Guide

By Caroline Watt

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Parapsychology: A Beginner’s Guide, Caroline Watt, From premonitions to apparitions, spoon-bending to mind-reading, the paranormal has bemused and mystified humans for millennia. In this Beginner’s Guide, renowned author and scientist Dr Caroline Wyatt explores the science behind such phenomena. In the last one hundred years, parapsychologists have tried to determine whether it is possible to examine paranormal activity in a laboratory. Packed full of interesting characters, surprising incidents and novel experiments, this book takes the reader on a journey through this fascinating research. Parapsychology: A Beginner’s Guide traces the history and evolution of parapsychology as a science, and provides a thorough and critical analysis of the research and evidence in the field today.

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
